Critical  
Care & Patient  
Monitoring Accessories

 B-1/A-1018, Shine Sansaar Rani Gate, Guwahati-781017, Assam

**BB-ECG-5133**

**Combi Cable**

Offers Detachable ECG Trunk Cable Compatible with Drager Monitor

**BB-ECG-5136**

**Detachable ECG Cable**

Offers Detachable 5 Lead ECG Cable Compatible with Mindray/L&t

**BB-ECG-5125**

**Detachable ECG Cable**

Offers Detachable 5 Lead Ecg Cable Compatible With BPL / Goldway

**BB-ECG-5127**

**Detachable ECG Cable**

Offers Detachable 5 Lead ECG Cable Compatible with GE

**BB-ECG-5131**

**Detachable ECG Cable**

Offers Detachable 5 Lead ECG Cable Compatible with HP

**BB-ECG-51XX**

**Detachable ECG Cable**

Offers Detachable 5 Lead ECG Cable Compatible with Space Labs

**BB-ECG-30X1**

**Non Moulded Cable**

Offers Non Moulded ECG Cable Compatible with Most of the OEM Brands

**BB-ECG-3113**

**Moulded ECG Cable**

Offers Moulded ECG Cable Compatible with most of the OEM Brands

**BB-ECG-50X1**

**Moulded PU Cable**

Offers fully Moulded 5 Lead PU ECG Cable compatible with most of the OEM Brands

**BB-ECG-10X1**

**ECG Cable**

Offers 10 Lead Non Detachable ECG Cable Compatible with most of the OEM's

**BB-ECG-1054**

**ECG Cable**

Offers 10 Lead Non Detachable ECG Cable Compatible with most of the OEM's

**BB-ECG-1082**

**ECG Cable**

Offer Fully Moulded 10 Lead Pu ECG Cable Compatible with Most of the OEM Brands

**BB-ECG-3XX1**

**ECG Cable**

Offers 3 Lead Non Detachable ECG Cable Compatible with most of the OEM's

**BB-ECG-5044**

**ECG Cable**

Offers 5 Lead Non Detachable ECG Cable Compatible with GE Monitors

**BB-ECG-6003**

**ECG Cable**

Offers 6 Lead Non Detachable ECG Cable Compatible with Nikon Khoden

**BB-ECG-2081**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Spacelab

**BB-ECG-7002**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Most Of the OEM's

**BB-ECG-2007**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Philips Trim ECG Recorder

**BB-ECG-2061**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Drager/Mindray

**BB-ECG-2040**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Nikon Khoden

**BB-ECG-2048**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Spacelab

**BB-ECG-2050**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Nikon Khoden

**BB-ECG-2012**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Motora Eli 230

**BB-ECG-2066**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Most Of the OEM'S

**BB-ECG-2075**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Most of the OEM'S

**BB-ECG-2032**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Drager

**BB-ECG-2021**

**ECG Lead Wires**

Offers wide range of ECG Lead wire Compatible with Quniton

**BB-ECG-1116**

**TMT Cable**

Offers 10 Lead Moulded TMT Cable Compatible with most of the OEM's

**BB-ECG-1117**

**TMT Cable**

Offers 10 Lead Moulded TMT Cable Compatible with most of the OEM's

**BB-ECG-1108**

**TMT Cable**

Offers 10 Lead Moulded TMT Cable Compatible with most of the OEM's

**BB-ECG-70X3**

**Holter Cable**

Offers wide range of Holter Cable Compatible with Mortara

**BB-ECG-70X2**

**Holter Cable**

Offer wide Range of Holter Cable Compatible with Most of the OEM Brands

**BB-ECG-7001**

**Holter Cable**

Offer wide Range of Holter Cable Compatible GE

**BB-ECA-0009**

**Tab Clips**

Offers wide range of Tab Clips ECG Electrodes are Compatible with most of the OEMS

**BB-ECA-0034**

**Tab Electrode**

Offer wide Range of Tab Electrodes are Compatible with most of the OEMS

**BB-ECA-0021**

**Bulb Pediatric Electrodes**

Offers ECG Silicon Bulb Electrodes in Multi colours like Blue/Black/Red colours

**BB-ECA-0002**

**Adult Bulb Electrodes**

Offers ECG Silicon Bulb Electrodes In multi colours like in Blue/Black/Red Colours

**BB-ECA-0022**

**ECG Pediatric Clamp Electrodes**

Offers ECG Pediatric Clamp Electrodes in Multi Colours

**BB-ECA-0007**

**Adult Clamp Electrodes**

Offers ECG Clamp Electrodes in Multicolour and also in Blue/White colours

**BB-ECA-0024**

**Pre Wire Neonatal ECG Electrodes**

Offers wide range of Pre Wire ECG Sensor for Neonatal's and are Compatible with most of the OEMS

**BB-ECA-0014**

**Disposable ECG Electrode**

Offers wide range of Disposable ECG Electrodes and are Compatible with most of the OEMS

**BB-ECA-0019**

**Reusable Button Electrodes**

Offers ECG Reusable Button Electrode

**BB-ECP-00XX**

**ECG Recording Paper**

Offers wide range of ECG Recording Paper Rolls.

**BB-ECA-0017**

**ECG Gel**

Offers high conductive ECG Gel in 250ml / 4.5kg container.

**BB-BIO-2209**

**Stands & Trolleys**

Offers ECG Monitor Stands & Mobile Trolleys

<p><b>BB-SPO-0100</b></p> 	<p><b>Reusable Adult Short Spo<sub>2</sub> Sensor</b></p> <p>Offers wide range of durable 0.9 Mtr sensors for Adult application</p>	<p><b>BB-SPO-0283</b></p> 	<p><b>Reusable Adult 3 Meter Spo<sub>2</sub> sensor</b></p> <p>Offers New Design Adult Spo<sub>2</sub> 3 Mtr Sensors suitable for Most OEM Monitors</p>	<p><b>BB-SPO-0125</b></p> 	<p><b>Reusable Adult Rubber Sensor</b></p> <p>Offers Soft Tip rubber Probe for Adult application</p>
<p><b>BB-SPO-0742</b></p> 	<p><b>Pediatric Hard Shell Sensors</b></p> <p>Offers Pediatric Hard Shell Sensors suitable for most OEM Monitors</p>	<p><b>BB-SPO-0195</b></p> 	<p><b>Pediatric Soft Tip</b></p> <p>Offers Pediatric Soft Sensors suitable for most OEM Monitors</p>	<p><b>BB-SPO-0213</b></p> 	<p><b>Ear Clip Sensor</b></p> <p>Offers Ear Clip Sensors suitable for most OEM Monitors</p>
<p><b>BB-SPO-0134</b></p> 	<p><b>Infant Soft Tip</b></p> <p>Offers Infant Soft Tip sensors suitable for most OEM Monitors</p>	<p><b>BB-SPO-0222</b></p> 	<p><b>Y-Sensor</b></p> <p>Offers New Type of Y-Probe with Wrap around Strap and Clip</p>	<p><b>BB-SPO-0222</b></p> 	<p><b>Neonatal Sensor</b></p> <p>Offers Neonatal Sensors suitable for most OEM Monitors</p>
<p><b>BB-SPO-09XX</b></p> 	<p><b>Masimo Spo<sub>2</sub> Sensor</b></p> <p>Offers Infant Soft Tip sensors suitable for Masimo RAD 7 Monitor</p>	<p><b>BB-SPO-0455</b></p> 	<p><b>Nikon Khoden Spo<sub>2</sub> Sensor</b></p> <p>Offers Adult sensors Compatible with Nikon Khoden Monitors</p>	<p><b>BB-SPO-0797</b></p> 	<p><b>Schiller Spo<sub>2</sub> Sensors</b></p> <p>Offers Pediatric Hard Shell Sensors suitable for Schiller monitor</p>
<p><b>BB-SPO-0377</b></p> 	<p><b>Philips / HP Spo<sub>2</sub> Sensor</b></p> <p>Offers Adult sensors Compatible with Philips/ HP Monitors</p>	<p><b>BB-SPO-0612</b></p> 	<p><b>BPL / L&amp;T Spo<sub>2</sub> Sensor</b></p> <p>Offers Neonatal Sensors suitable for BPL / L&amp;T Monitors</p>	<p><b>BB-SPO-0457</b></p> 	<p><b>Nonin Spo<sub>2</sub> Sensor</b></p> <p>Offers Adult sensors Compatible with Nonin Monitors</p>

**BB-SPO-0949**

**Disposable Nellcor Sensors**

Offers Compatible Disposable Sensor for most of the OEM's.

**BB-SPO-0941**

**Disposable Sensors**

Offers Compatible Disposable Sensor for most of the OEM's.

**BB-SPO-0947**

**Original Nellcor Oximax**

Offers Original Nellcor Oximax N at a very best price.

**BB-SPO-0944**

**Disposable Masimo Sensors**

Offers Compatible Disposable Sensor with Masimo Monitors

**BB-SPO-0958**

**Datex Trusignal Sensor**

Offers Compatible with Datex Trusignal Sensor

**BB-SPO-1002**

**Oximax Converter**

Offers Non-Oximax to Oximax Converter suitable for all type of sensors.

**BB-SPO-XXX1**

**Spo2 Probe Masimo**

Offers Original Masimo spo2 Probe suitable for all OEM's

**BB-SPO-00415**

**Original Masimo**

Offers Original Masimo Spo<sub>2</sub> Probe suitable for all OEM's

**BB-SPO-0087**

**Original Masimo**

Offers Original Masimo Spo<sub>2</sub> Probe suitable for all OEM's

**BB-SPO-0071**

**Original Dolphin**

Offers Original Dolphin Spo2 Probe suitable for all OEM's.

**BB-SPO-0099**

**Original Nellcor DS 100A**

Offers Original Nellcor DS-100A Spo2 Probe suitable for all OEM's.

**BB-SPO-0210**

**Original Nellcor DY-S**

Offers Original Nellcor DY-S Spo2 Probe suitable for all OEM's.

**BB-SPO-0464**

**Original Philips Sensor**

Offers Original Philips Spo2 Probe suitable for all OEM's.

**BB-SPO-XXX2**

**Masimo Extension Cable**

Offers Original Masimo Spo2 Extension cable suitable for all OEM's

**BB-EXT-0117**

**Original Spo<sub>2</sub> Extension Cable**

Offers original Spo<sub>2</sub> Extension Cable with Nellcor and other OEM's

**BB-EXT-0050**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with L&T/Mindray and other OEM's

**BB-EXT-0058**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Masimo and other OEM's

**BB-EXT-0037**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Drager/Siemens Monitors and other OEM's

**BB-EXT-00XX**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Nihon kohden and other OEM's

**BB-EXT-0078**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Nonin and other OEM's

**BB-EXT-0015**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with BLT and other OEM's

**BB-EXT-0040**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with GE and other OEM's

**BB-EXT-0042**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with HP/Philips/L&T/Datex and other OEM's

**BB-EXT-0030**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Datascope/Schiller and other OEM's

**BB-EXT-0044**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with HP/Philips and other OEM's

**BB-EXT-0029**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Criticare and other OEM's

**BB-EXT-0074**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Nellcor/Silicon/Biosys and other OEM's

**BB-EXT-0075**

**Spo<sub>2</sub> Extension Cable**

Offers Spo<sub>2</sub> Extension Cable Compatible with Nellcor N-200 and other OEM's

**BB-EXT-0018**

**Finger Tip Pulse Oximeter**

Offers Portable Finger tip Pulse Oximeter at a Very best price

**BB-EXT-0938**

**BIS Sensor**

Offers wide range of BIS Sensor for various applications

**BB-NBP-0181**

**Economic NIBP Cuff**

Offers High Quality and accurate reading PVC BP cuffs at a very best price with all sizes

**BB-NBP-0023**

**Premium NIBP Cuff**

Offers High Quality and accurate reading PU BP cuffs with all sizes (Adult / Pediatric / Infant/ Neo

**BB-NBP-0258**

**Digital BP Apparatus Cuff with D ring**

Offers High Quality and accurate reading Digital Bp apparatus Cuff with D ring with all sizes compatible with OMRAN & others

**BB-NBP-0065**

**Disposable Neonatal Bp Cuff**

Offers Disposable Neonate range starts from Size 1 to 5

**BB-NBP-0001**

**Manual BP Apparatus Cuff & Accessories**

Offers Manual Bp Cuff , Bladder , Bulb & Valve Suitable for most of the OEM'S

**BB-NBP-0034**

**Torniquet Cuff**

Offers wide range of Torniquet Cuff Suitable for most of the OEM'S

**BB-NBP-0105**

**NIBP Hose**

Offers full line of BP Hose with Leak free Connector

**BB-NBP-0107**

**NIBP Hose**

Offers BP Hose Compatible with Philips Monitor

**BB-NBP-0111**

**NIBP Hose**

Offers High Mating Cycle push pull connector for most OEM's

**BB-NBP-01X2**

**NIBP Hose**

Offers BP Hose Compatible with Nihon Kohden Monitor

**BB-NBP-01X3**

**NIBP Hose**

Offers BP Hose Compatible with OEM Monitor

**BB-NBP-XXXX**

**BP Connectors**

Offers Full Line of BP Connector for Entire Spectrum of Monitors

**BB-IBP-0108**

**IBP Cable**

Offers the complete range of IBP cable compatible with MEDEX Transducers

**BB-IBP-0077**

**IBP Cable**

Offers full line IBP Cable Compatible with UTTAH / Bio Sensor Transducer

**BB-IBP-01XX**

**IBP Cable**

Offers full line IBP Cable Compatible with OEM Monitor and Philips IBP Transducer

**BB-IBP-0067**

**IBP Cable**

Offers the complete range of IBP cable compatible with BD Transducer

**BB-IBP-0045**

**IBP Cable**

Offers the complete range of IBP cable compatible with Abbot/BL Transducer

**BB-IBP-0086**

**IBP Cable**

Offers full line IBP Cable Compatible with Edward Transducer

**BB-IBP-0153**

**BD Transducer**

Offers the wide range of Reusable Transducer compatible with most of the OEMs

**BB-IBP-0120**

**Disposable Transducers**

Offers wide range of Disposable Transducers Compatible with most of the OEMs

**BB-IBP-0125**

**Disposable Transducers**

Offers wide range of Disposable Transducers Compatible with most of the OEMs

**BB-IBP-0133**

**Medex Transducer**

Offers the wide range of Reusable Transducer compatible with most of the OEMs

**BB-IBP-0010**

**Reusable IBP Transducers**

Offers Reusable Transducer for most of the OEM'S and also offer stands & Holter

**BB-IBP-0024**

**Pressure Infusor**

Offers Pressure infusor Bag of Different capacity & are very durable

**BB-TEM-00X1**

**YSI Temperature Probes**

Offers Original YSI Temperature Probes for all Applications

**BB-TEM-0077**

**Temperature Probe / Adaptor**

Offers Compatible Rectal/Skin Temperature probe / Adaptor for Adult/Pediatric / Neonatal Applications

**BB-TEM-0036**

**Disposable Temperature Probe**

Offers Monitor / Baby warmer/ Disposable Neonatal / Pediatric / Adult Temperature Sensor for Baby Warmer / Incubator & Monitors

**BB-TEM-0052**

**Reusable Skin / Surface Temperature Probe**

Offers Baby warmer/ Incubator Temperature Sensor and are suitable for most of the OEM Brands.

**BB-TEM-0020**

**Reusable Rectal / ESO Temperature Probe**

Offers Baby warmer/ Incubator Temperature Sensor and are suitable for most of the OEM Brands.

**BB-VEN-1179**

**Humidifier Temperature sensor / Adaptor**

Offers compatible Humidifier Temperature sensor & Heated wire Adaptor

**BB-TEM-0061**

**Warmer Skin / Air Temperature Probe**

Offers Baby warmer/ Incubator Temperature Sensor and are suitable for most of the OEM Brands.

**BB-BIO-2057**

**Fluid / Blood Warmers**

Offers Blood/ Fluid Infusion warmers for most challenging clinical applications.

**BB-BIO-0134**

**Cardiac Output Accessories**

Offers Cardiac Output cable, Swan Ganz Catheter & PICCO Catheter for all Monitors

**BB-BIO-1061**

**Calibration Gas**

Offers Different Mixer of Cal Gas for Capnographic Monitor

**BB-ETC-0015**

**Gas Sampling Line with T- Connector**

Offers wide range of Gas Sampling Line with T-Adaptor and Leur Male Connector for Intubated patients

**BB-ETC-0013**

**Gas Sampling Line with T- Connector**

Offers wide range of Gas Sampling Line with T-Adaptor and Leur Male Connector for Intubated patients

**BB-ETC-0024**

**Gas Sampling Line**

Offers wide range of Sampling Line Male to Male & Male to Female for all Monitor with or without T connector

**BB-ETC-0016**

**Micro Stream Sampling Line**

Offers wide range of Micro Stream Sampling Line for philips Respironics Monitor

**BB-ETC-0010**

**Nasal Sampling Line**

Offers wide range of Nasal Gas Sampling Line for all Monitors

**BB-ETC-00XX**

**Gas Sampling Line**

Offers wide range of Nasal Gas Sampling Line for welch alyn I Monitors

**ETC-002X**

**ETCO<sub>2</sub> Water Traps**

Offers water traps for most of the capnographs

**BB-ETC-0035**

**ETCO<sub>2</sub> Sensor**

Offers EtcO<sub>2</sub> Sensor compatible with all OEMs

**BB-ETC-0036**

**Micro Stream Co<sub>2</sub> Sensor & Cable**

Offers Microstream Co<sub>2</sub> Cable for all type of Monitors

**BB-BIO-0011**

**ET Cuff Pressure Manometer**

Offers Low cost ET cuff Pressure manometer for various applications

**BB-VEN-2370**

**PFT/Spiro Supplies**

Offers Full range of PFT mouth Pieces and nose blockers for whole range of Spiro meters.

**BB-EEG-2011**

**Internal Paddles**

Offers fully autoclavable Defib Internal paddle with different Electrode Sizes

**BB-ESU-5326**

**Internal Paddle**

Offers compatible internal Paddles for Defibrillator with Philips / GE

**BB-EEG-1239**

**Fibrillator**

Offers Time Test Fibrillator for CV/CT application and its used in all Top Cardiac Centers

**BB-EEG-1064**

**Paddle**

Offers Paddles for fibrillator compatible with all OEMs

**BB-EEG-2031**

**AED/Pacing Pad**

Offers AED/Pacing Pad Compatible with Physio control/GE

**BB-2029**

**AED/Pacing Pad**

Offers AED/Pacing Pad Compatible with Philips/Schiller/Nikhon Khoden

**BB-EEG-2032**

**AED/Pacing Pad**

Offers AED/Pacing Pad Compatible with Physio control Defib's of quick Combo Model

**BB-EEG-2023**

**AED/Pacing Pad**

Offers Pacing Pad Compatible with Cardiac Science AED

**BB-EEG-2028**

**AED/Pacing Pad**

Offers Pacing Pad Compatible with OEMS

**BB-EEG-2015**

**AED/Pacing Pad**

Offers Pacing Pad Compatible with OEMS

**BB-EEG-2034**

**AED/Pacing Pad**

Offers Pacing Pad Compatible with Zoll Defib's

**BB-EEG-2035**

**Pacing Cable**

Offers full Line of pacing Cable Compatible with Physio control LP-9 Defibs

**BB-EEG-203X**

**Pacing Cable**

Offers full Line of pacing Cable Compatible with GE Cardio serve Defib's

**BB-BIO-2214**

**Pacemaker Cable**

Offers full line of Temporary pacing cable.

**BB-BIO-2193**

**Pacemaker Cable**

Offers full line of Temporary pacing cable compatible with medtronics and other brand of pacemaker.

**BB-VEN-2227**

**O<sub>2</sub> Cell LDM 01**

Offers full line of O<sub>2</sub> sensors compatible with Respiratory and anesthesia ventilators and also the Fio<sub>2</sub> Monitors

**BB-VEN-2229**

**O<sub>2</sub> Cell LDM 02**

Offers O<sub>2</sub> Sensor Compatible with Drager/Ohmeda Ventilators

**BB-VEN-2230**

**O<sub>2</sub> Cell LDM 03**

Offers full line of O<sub>2</sub> sensors compatible with Respiratory and anesthesia ventilators and also the Fio<sub>2</sub> Monitors

**BB-VEN-2231**

**O<sub>2</sub> Cell LDM 04**

Offers full line of O<sub>2</sub> sensors compatible with Penlon Respiratory and anesthesia ventilators and also the Fio<sub>2</sub> Monitors for penlon ventilators

**BB-VEN-2725**

**O<sub>2</sub> cell LDM 12**

Offers Ventilator O<sub>2</sub> sensors compatible with Maquet servo S / I

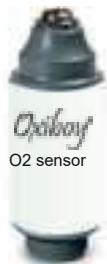

**BB-VEN-2223**

**O<sub>2</sub> Cell LDM 06**

Offers Neonatal Ventilator fill line of O<sub>2</sub> sensors compatible with SLE 2000 /4000 /5000

**BB-VEN-2224**

**O<sub>2</sub> Cell LDM 07**

Offers full line of O<sub>2</sub> sensors compatible with Newport Respiratory and anesthesia ventilators and also the Fio<sub>2</sub> Monitors

**BB-VEN-2219**

**O<sub>2</sub> Cell LDM 09**

Offers full line of O<sub>2</sub> sensors compatible with Datex Ohmeda

**BB-VEN-2220**

**O<sub>2</sub> Cell LDM 10**

Offers full line O<sub>2</sub> sensors compatible with Respiratory and anaesthesia ventilators and also the O<sub>2</sub> Monitors

**BB-VEN-2518**

**O<sub>2</sub> Cell LDM 13**

Offers Neonatal Ventilator O<sub>2</sub> sensors compatible with Phillips V680

**BB-VEN-2222**

**O<sub>2</sub> Cell LDM 11**

Offers O<sub>2</sub> sensor for Vyasys Vela Ventilator

**BB-BIO-1238**

**O<sub>2</sub> Analyser**

Offers full line of O<sub>2</sub> Monitor and also the O<sub>2</sub> Purity analyzer with very high accuracy readings

**BB-VEN-2309**

**Air/O<sub>2</sub> Blender**

Offers full line of LOW Flow and Hi Flow Air/O<sub>2</sub> Blender for all critical applications

**BB-VEN-2076**

**Flow sensor**

Offer the hot wire flow sensor for Drager ventilator

**BB-VEN-2080**

**Flow sensor**

Offers full line of flow sensor for Hamilton ventilator

**BB-VEN-1003**

**Basic Adult Bain Circuit**

Offers full range of Anaesthesia Breathing Circuit for Adult Patient

**BB-VEN-1056**

**Mapleson D Bain Circuit**

Offers full range of Anaesthesia Breathing Circuit for Adult Patient

**BB-VEN-1040**

**Jackson & Rees Bain Circuit**

Offers full range of Anaesthesia Breathing Circuit for Pediatric/ Neonatal Patient

**BB-VEN-1002**

**Anaesthetic Breathing System**

Offers Anaesthetic 2/3 Limb Breathing Circuit with Y Connector & Sampling Port

**BB-VEN-1016**

**Limbo Circuit**

Offers Coaxial Circuits for open and closed system and with capnographic port, Elbow and 2 Liter Latex free breathing bag

**BB-VEN-1009**

**Single Limb & Transport Circuit**

Offers Single Limb Breathing System for Transport Ventilators with APL Valve and Pressure Port

**BB-VEN-10XX**

**Disposable Adult/Pediatric Heated SWT Circuit**

Offers Heated/Non Heated Adult/Pedi circuit

**BB-VEN-1073**

**Disposable Adult DWT Circuit**

Offers Non Heated Adult Double water trap Circuit with water trap and with extra Limb

**BB-VEN-1080**

**Disposable Neonatal Heated Circuit**

Offers heated Neonatal Circuit with water trap and Humidifier Chamber equivalent to RT 225

**BB-VEN-1048**

**Versamed Circuit**

Offers Adult Versamed Ventilator Circuit with leuc connectors

**BB-VEN-1014**

**Cpap Circuit**

Offers full line of single limb circuit of 1.6 m long for CPAP/BIPAP application

**BB-VEN-2727**

**Reusable Adult Circuit**

Offers Non Heated Adult silicon patient circuit with Water trap and Extra Limb

**BB-VEN-1129**

**Reusable Pediatric / Neonatal circuit**

Offers Non Heated Pediatric / Neonatal silicon patient circuit with Water trap and Extra Limb

**BB-VEN-2568**

**Reusable silicon Jointless Tubing**

Offers Reusable Adult /pediatric/ neonatal Silicon Jointless Tubing with Blue cuffers Different length 30cm / 60Cm / 120cm /150cm / 180cm

**BB-VEN-11XX**

**Reusable Heated Adult/Pedi/Neonatal Circuit**

Offers heated Adult Silicon Circuit with water trap and with extra Limb

**BB-VEN-1173**

**Respiratory Humidifier - Basic Model**

Offers Respiratory Humidifier with Autoclavable Chamber

**BB-VEN-1174**

**Respiratory Servo Humidifier**

Offers Respiratory servo Humidifier with Temperature probe & Heated wire adaptor

**BB-BIO-2198**

**Anaesthesia Vaporiser**

Offers Anaesthesia Gas Vaporiser for all type of agents including Halothan, Sevoflurene etc.,

**BB-VEN-1181**

**Humidifier Chamber**

Offers Reusable / Disposable auto fill and non auto Humidifier Chamber with filter paper.

**BB-VEN-210X**

**Anaesthesia Inflatable cushion Mask**

Offers Disposable Scented masks to suit every requirement of the Anaesthesia

**BB-VEN-21XX**

**Anaesthesia clear silicon Mask**

Offers silicon reusable masks to suit every requirement of the Anaesthesia

**BB-VEN-2152**

**Anaesthesia Antistatic Black Mask**

Offers Anatomical masks to suit every requirement of the Anaesthesia

**BB-VEN-2122**

**BIPAP/CPAP/NIV Mask**

Offers Disposable / Reusable Nasal and full Face mask for NIV application

**BB-VEN-2109**

**CPAP 2 Port Mask**

Offers CPAP Mask with 1.6M Dual Limb for NIV application

**BB-VEN-2165**

**Ambu Bag**

Offers resuscitation bag (Reusable Silicon) for Adult/ Pediatric/Neonatal Application

**BB-VEN-2162**

**Disposable Venturi Kit**

Offers Disposable venturi mask with different O2 adapters

**BB-VEN-212X**

**O2 mask with Tube (Adult /pediatric)**

Offers with O2 Mask with or without Tube.

**BB-VEN-2140**

**O2 High Concentration Mask (Adult /pediatric)**

Offers High Concentration Mask with Tube.

**BB-VEN-2137**

**Aerosol/ Nebulizer Kit (Adult/Pediatric)**

Offers Nebulizer Kit with chamber.

**BB-VEN-2153**

**Ventilator\_on line Nebulizer Kit (Adult/Pediatric)**

Offers on Line Nebulizer Kit.

**BB-VEN-2071**

**Reusable Main flow Filter**

Offers Reusable Mainflow ventilator filter for all ventilators.

**BB-VEN-2058**

**Filter**

Offers Disposable Adult/pediatric/Neonatal - HME/Bacteria Filter

**BB-BIO-3035**

**Aerogen Nebulizer**

Offers Aerogen Nebulizer compatible with different Ventilator

**BB-VEN-200X**

**Guedel Airway**

Offers Guedel Airway in different size for all application

**BB-VEN-2028**

**LED, Fiberoptic & McCoy Laryngoscope**

Offers Laryngoscope with different size of Mac and Miller blade for Adult, Pediatric and Neonatal application

**BB-VEN-1212**

**Catheter Mount**

Offers Catheter Mount for Adult/ Pediatric Application

**BB-VEN-1157**

**Rebreathing Bag**

Offers Disposable / Reusable Silicon Breathing Bag for all application

**BB-VEN-1250**

**Test Lung- Adult & Pediatric**

Offers Reusable Test lung in Adult/Pediatric for all application

**BB-VEN-1252**

**Test Lung- Neonatal**

Offers Reusable Test lung in Neonatal for all application

**BB-VEN-2257**

**Bubble CPAP Bottle**

Offers Disposable Humidifier Bottle and Bubble CPAP Generator

**BB-BIO-2154**

**Nerve Locator**

Offers Nerve Locator for Anaesthesia applications

**BB-VEN-2054**

**Filter with Green Tube**

Offers filter with green tube for ventilator application

**BB-BIO-2180**

**Soda Lime**

Offers Medical Grade Soda Lime for closed anesthesia circuits and it is made of very high quality and low dust formula.

**BB-VEN-1145**

**Silicon Tube**

Offers Food Grade Silicon Tube from 0.5 to 30 mm diameter

**BB-VEN-1257**

**Circuit Support Arm**

Offers Flexible Stainless Steel Circuit Support arm and is available for all type of Ventilator

**BB-ESU-1030**

**Disposable Pencil**

Offers standard hand control push Button Electro surgical pencil with 70mm Blade & 3 meter cable

**BB-ESU-5200**

**Multifunction pencil**

Offers multifunction hand control pencil with cut/coag/Dissection & suction with non stick Blade

**BB-ESU-5201**

**Disposable pencil with 150mm Blade**

Offers standard hand control push Button Electro surgical pencil with 150mm Blade & 3 meter cable

**BB-ESU-1025**

**Disposable Foot control pencil**

Offers disposable foot control pencil with 3m wire and single Banana pin

**BB-ESU-2156**

**Reusable pencil**

Offers reusable standard hand control pencil with Erbe/L&T and Valleylab connector

**BB-ESU-1067**

**Reusable monopolar pencil**

Offers Reusable foot control monopolar handle with/without cable

**BB-ESU-2074**

**Cutting Electrode Set**

Reusable Blade, Lancet needle, Loop, wire snar curved needle & ball Electrode with 70/150mm length and 2.6/4mm Dia is available

**BB-ESU-2060**

**Cleaning pad**

Disposable cleaning pad in sterile pack is available 50/100 in a box packing

**BB-ESU-1020**

**Pre wire ESU Pad**

Pre wire Disposable ESU Pad Adult/Pediatric is available with 3.2m wire and L&T Connector

**BB-ESU-1022**

**Pre wire ESU Pad**

Pre wire Disposable ESU Pad Adult/Pediatric is available with 3.2m wire and Valleylab/Erbe/L&T Connector

**BB-ESU-2185**

**Bipolar Pad**

Bipolar ESU Disposable pad without wire is available for Adult/Pediatric applications

**BB-ESU-2068**

**Monopolar Pad**

Offers Monopolar ESU Pad without wire

**BB-ESU-1056**

**Patient plate cable**

Patient plate cable is available with Erbe/L&T connector for disposable pad without wire

**BB-ESU-1059**

**Patient plate cable**

Patient plate cable is available with Valleylab connector for disposable pad without wire

**BB-ESU-1072**

**Silicon patient plate**

Offers reusable silicon patient plate with wire/without wire is available in Adult and Pediatric sizes

**BB-ESU-20XX**

**Bipolar Forceps**

Offers Bipolar/Monopolar Forceps with Teflon coating and nonstick tip

**BB-ESU-2286**

**Nonstick Forceps**

Offers Nonstick Bipolar forceps different sizes length & Tips

**BB-ESU-1003**

**Bipolar Cable**

Reusable bipolar cable with 2 pin configure is available for Valleylab/Erbe

**BB-ESU-1001**

**Bipolar Cable**

Reusable bipolar cable with single pin for Erbe/ L&T/ Martin/Asculab is available

**BB-ESU-103X**

**Heavy Duty double pedal Foot Switch**

Offers Heavy duty single/double pedal foot switch for Erbe/L&T/Valleylab/ Martin

**BB-ESU-2178**

**Heavy Duty Single Foot switch**

Lub Dub offers Heavy duty single/double pedal foot switch for Erbe/L&T/Valleylab/ Martin

**BB-ESU-1022**

**Disposable Bipolar Cable**

Offers disposable bipolar cable for valleylab is available

**BB-ESU-1081**

**TURP / ENDO Cable**

Offers Turp, Monopolar/Bipolar Laproscopic cables

**BB-ESU-10XX**

**Patient plate & Mono /Bipolar converters**

Offers Valleylab to L&T converter and also 3 to 2pin pencil converter and single to 2pin universal Valleylab connector

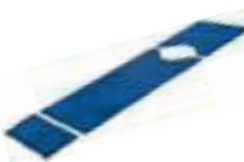

**BB-ESU-1019**

**ESU Pencil Tester**

Offers ESU Pencil tester

**BB-ESU-5202**

**Gel Positioning System**

Offers operation table soft gel pads to protect the patient's body during surgical procedures

**BB-ESU-2180**

**Soft Gel Head Pads**

Offers head pad that protects the head, face and ears and provides comfort and stable positioning during surgeries

**BB-BIO-2179**

**Soft Gel Chest Rolls**

Offers chest rolls that are contoured and conform to an adult rib cage can be used under knees and heels

**BB-ESU-1028**

**Umbilical Cord Clamp**

Offers Click Clamp for the Umbilical cord clamping Application

**BB-ESU-20XX**

**Hospital Shoes**

Offers Hospital Shoes for OT / ICU / Nursing applications. Available in Venti / Non Venti & different sizes & colors.

**BB-EEG-2038**

**EEG Electrodes**

Offers EEG electrodes with/without plastic cap in PU wire and with standard Din connector.

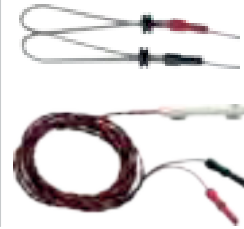

**BB-EEG-2009**

**EMG Needles**

Offers disposable EMG Needles which quickly and efficiently penetrate to your target area and easily adjustable with muscle

**BB-EEG-2041**

**Ring Electrode**

Offers Digitab stainless steel ring electrode used for sensory nerve stimulation & recording

**BB-EEG-2046**

**Neprep EEG Paste**

Offers Neprep EEG Paste to be used with EEG type Disk Electrode.

**BB-EEG-2008**

**Ten 20 Conductive Adhesive**

Offers Water soluble, Adhesive paste designed to be used with EEG Type Disk electrodes

**BB-ECA-0036**

**Disposable Tens Electrodes**

Offers pre wire, pre jelled, self adhesive tens electrodes of various shapes

**BB-ECA-0036**

**Tens Electrodes**

Offers traditional tens electrodes in various shapes

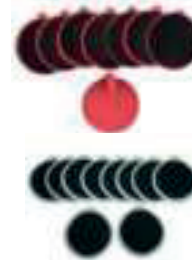

**BB-ESU-1081**

**Tens Wires**

Offers physiotherapy electrodes and wires, tens leads

**BB-OTA-0001**

**Protected Rubber Electrodes**

Offers colored and protected conductive silicon electrodes

**BB-VEN-2484**

**Ram Cannula**

Offers RAM Cannula is an oxygen delivery device can be used as an alternative approach to deliver positive pressure for Neonatal and Other sizes also available.

**BB-VEN-2260/2540**

**Cpap Nasal Prongs / Cpap Nasal Mask**

Offers Cpap F & P Type Nasal Prongs / Nasal Mask for all machines

**BB-VEN-2210**

**O2 Hood**

Offers Round / Square shape O2 Hoods.

**BB-VEN-2260/2199**

**T-shape Nasal Prongs**

Offers T-Shape (Hudson) type Nasal Prongs

**BB-SF-VEN-0284**

**Cpap Bonnets**

Offers Bonnets of different sizes.

**BB-VEN-2308**

**NCPAP Interface**

Offers NCPAP Interface for MEDIN CPAP Machine.

**BB-USP-XXX1**

**Ultrasound Convex Probe**

Offers  
Ultrasound Convex  
Probe compatible with  
all OEM's.

**BB-USP-XXX2**

**Ultrasound Micro Convex Probes**

Offers  
Ultrasound Micro  
Convex Probe  
compatible with all  
OEM's.

**BB-USP-XXX3**

**Ultrasound Linear Probe**

Offers  
Ultrasound Linear  
Probe compatible  
with all OEM's.

**BB-USP-XXX4**

**Ultrasound Phase Array Probe**

Offers  
Ultrasound Phase  
Array / Cardiac  
Probe compatible  
with all OEM's.

**BB-USP-XXX5**

**Ultrasound Transvaginal Probe**

Offers  
Ultrasound  
Transvaginal /  
Endocavity Probe  
compatible with all  
OEM's.

**BB-USP-XXX6**

**Ultrasound 3D/4D Probe**

Offers  
Ultrasound 3D / 4D  
Probe compatible with  
all OEM's.

**BB-USP-XXX7**

**TEE Probe**

Offers  
Ultrasound TEE  
Probe compatible  
with all OEM's.

**BB-USP-XXX8**

**Biopsy Guide**

Offers  
Ultrasound Biopsy  
Guide compatible  
with all OEM's.

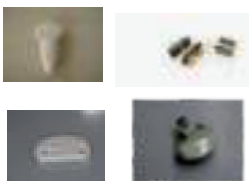

**BB-USP-XXX9**

**Biopsy Guide**

Offers  
Ultrasound Biopsy  
Guide compatible with  
all OEM's.

**BB-USP-XX10**

**Ultrasound Probe Services**

Offers  
Ultrasound Probe  
services like Layer /  
Crystal / Cable / Strain  
Reliever replacement

**BB-USP-XX13**

**Disposable Ultrasound Probe Cover**

Offers  
Disposable Ultrasound  
Probe Covers  
compatible with all  
OEM's

**BB-USP-XX14**

**Tranducer Phantom**

Offers  
Tranducer Phantom for  
evaluation of an image  
created by transmitted  
ultrasound  
reverberations in the  
lens.

**BB-USP-XX11**

**W2i Ultrasound Image Capture Software Kit**

Offers W2i  
Ultrasound Image  
Capture - Reporting  
Software (Dicom / Non -  
Dicom) compatible with  
all OEM's

**BB-USP-XX12**

**W2i HD Ready Endoscopic Reporting Software**

Offers W2i HD  
Ready Endoscopic -  
Reporting Software  
(Dicom / Non -Dicom)  
compatible with all  
OEM's

**BB-BIO-2079**

**LED X-Ray Viewer**

Offers  
Super Thin High  
Frequency Medical  
Film observation  
Lamp with Latest  
LED Technology  
offer 1/2/3/4 film  
versions

**BB-BIO-1108**

**Keypad**

Offers Key Pad for Fresenius Syringe Pump

**BB-BIO-1163**

**Keypad**

Offers Keypad for Nellcor Pulseoximeter

**BB-BIO-1081**

**Keypad for Bair Hugger**

Offers Keypad compatible with Bair Hugger warmer

**BB-BIO-1080**

**Keypad**

Offers Keypad for Atom Syringe pump

**BB-BIO-1131**

**Keypad for Philips Defibrillator**

Offers Keypad for Philips Fetal Monitor

**BB-BIO-1090**

**Keypad**

Offers Keypad for criticare pulse oximeter

**BB-BIO-1151**

**Keypad**

Offers Keypad for Masimo pulse oximeter

**BB-BIO-1114**

**Keypad**

Offers Keypad for GE Mac 500 / 1200 ECG recorders

**BB-BIO-1110**

**Keypad for GE B30**

Offers Keypad for All type of Ventilators

**BB-BIO-1152**

**Keypad**

Offers Keypad for All type of OEM'S

**BB-BIO-1217**

**Keypad**

Offers Keypad for All type of Ventilators

**BB-BIO-1213**

**Keypad**

Offers Keypad for All type of Ventilators

**BB-BIO-21XX**

**Halogen Lamp**

Offers Halogen Lamps with Reflector and without reflector

**BB-BIO-221X**

**Capsule Lamp**

Offers Special halogen lamps with wire

**BB-BIO-215X**

**Xenon Lamp**

Offers Xenon Lamps with 175W, 200W, 300W Capacity

**BB-BIO-2177**

**Fetal Ultrasound Transducer**

Offers Transducers for Fetal Monitors

**BB-BIO-2166**

**Fetal TOCO Transducer**

Offers TOCO Transducer compatible with GE/HP/Philips Monitors

**BB-BIO-2098**

**Disposable Stethoscope Diaphragm Cover**

Offers Disposable Stethoscope cover to protect the cross infection. Available in 5 different colors and package of 100nos.

**BB-ESU-2075**

**Fiber optic Cable**

Offers Halogen/Xenon Light Source Cable in different diameters & Sizes. Karl Storz & other brands of fiber optic cable are available.

**BB-BIO-12XX**

**Hospital Grade Power Cord**

Offers 3/5/10meter Power cord with 5Amps,15Amps capacity

**BB-BIO-XX13**

**Spo2 Repair Kit**

Offers Spo2 Repair Kit for different OEM's Pulse Oximeters.

**BB-BIO-XX14**

**Do It Yourself Kit**

Offers all Spo2/ECG parts, including plastic rubber shell, optics ,cable connectors, silicon adhesive and also offers Spo2 probe assembling, Testing, service training with certificate

**BB-BIO-XX15**

**Connectors & Sockets**

Offers OEM Sockets & Connector for all type of instruments

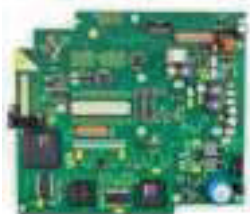

**BB-BIO-3069**

**MMS module**

Offers MMS Module / Tram Module for GE & Philips patient Monitor

**BB-BIO-2258**

**Main board for Patient Monitors**

Offers Main Board / Power Supply Assembly for all OEM's

**BB-BIO-2169**

**NIBP Module & Parts**

Sell & service all type of NIBP Modules & Spare Parts

**BB-BIO-0012**

**TFT Display Panels**

Offers all type of New TFT Display Panels & also repair all types of Displays.

**BB-BIO-20XX**

**Battery**

Offers ECG Machine, Monitors & Pulse Oximeter Batteries Compatible with OEM

**BB-BIO-1017**

**Battery**

Offers NIMH, NICD Batteries for all types of medical Equipments

**BB-BIO-1017**

**Batteries**

Offers Batteries compatible with Philips,GE and Maquet Machines

**BB-EQU-0015**

**Electrical Safety Analyzer VPad - Mini**  
Offers Vpad-Touch Screen based Color Automatic Electrical Safety Analyser with Built in AAMI & IEC test Standard

**BB-EQU-0012**

**Electrical Safety Analyzer VPad - Rugged2**  
Offers Vpad - Rugged2 is a Large Touch Screen based Color Automatic Electrical Safety Analyser with Built in AAMI & IEC test Standard

**BB-BIO-2070**

**Electrical Safety Analyzer ES601 Plus**  
Offers ES601 plus Provides the most complete testing to IEC 601 2nd & 3rd Editions. Large LCD, Non Volatile Memory USB & RS232 Connectivity PC Interface with Software

**BB-EQU-0008**

**LUB DUB ECG 150 Basic ECG Simulator**  
Offers Low Cost ECG Simulator with Built In Arrhythmia simulation for Monitor and recorders

**BB-BIO-2054**

**ECG Simulator with Arrhythmia - AMPS 1**  
Offers Low Cost ECG Simulator with Built In Arrhythmia simulation and up gradable to Temp,IBP, Fetal Simulation in future

**BB-BIO-2089**

**Spo2 Simulator-Oxitest Plus 7**  
Offers Higher End Spo2 Simulator to test wide variety of Pulse Oximeter and has amplitude adjustment, Preset Patient parameter alarm Testing and report printing functions

**BB-EQU-0004B**

**Multi Paramonitor Analyzer VPad - PS**  
Offers Multipara Monitor Simulator to test ECG/NIBP/IBP/Resp

**BB-EQU-0004D**

**SPO2 Simulator VPad - O2**  
Offer Spo2 Simulator to test Nellcor / Masimo / Philips & Datex Ohmeda Technologies

**BB-EQU-0004C**

**Blood Pressure Simulator- Vpad - BP**  
Offers Vpad-BP is a world most accurate BP Simulator with Adult /Neonatal BP Presets. It has USB Ports for Connectivity.

**BB-EQU-0004**

**Multi Parameter Monitor Simulator VPad - A1**  
Offers Multipara Monitor Simulator to test ECG/Spo2/NIBP/IBP/Resp/CO/Etco2/Temp & Fetal Simulation

**BB-EQU-0011**

**Defibrillator / Pacer Analyzer - Phase 3**  
Offers Defib/Pacer Analyser specifically Designed to test Pulsed-Biphasic Defibs. It also Can be used for Monophasic, Biphasic, Pulsed Multiphasic, AED and Pacers.

**BB-EQU-0028**

**Infusion Pump Analyser - Infutest Solo**  
Offers Infutest Solo. Better than 1% Accuracy on all Pumps Including Baxter, Alaris etc., Battery and Mains Operated with Built in Data Storage Reporting.USB/RS232 connectivity with PC software

**BB-EQU-0007**

**Foetal Monitor Simulator - FMS 3**  
Offers Foetal HR, FH Sound and IUA capable of doing Single / Double / Triple Foetal stimulations.

**BB-EQU-0010**

**Incubator Analyzer VPad - IN**  
Offers warmer Analyser to check the Infant Warmer, Infant Transport & Regular Incubator.

**BB-EQU-0006**

**Diathermy Analyser VPad - RF**  
VPad RF is an ESU / Diathermy tester with REM testing function & it has got CRO built in.
